The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**AGREEMENTS TO PURCHASE
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTIES
SUPERVISORIAL DISTRICT 4 – AGREEMENT 2494
SUPERVISORIAL DISTRICT 5 – AGREEMENT 2492
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Mayor to sign the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties being acquired by the City of Long Beach and the County Sanitation District No. 14 of Los Angeles County (public agencies) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties.

PURPOSE OF RECOMMENDED ACTION

The properties described in the agreements may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970 as indicated on Attachment "A". Exhibit "A", attached to each agreement, indicates the legal description and selling price of the parcels.

Upon approval, the enclosed agreements and copies are to be signed by the Mayor and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreements as to form.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of these agreements is in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and limited-use parcels are identified for appropriate public purposes.

JUSTIFICATION

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The properties described in this letter will be acquired by two public agencies. The first agreement is with the City of Long Beach, which intends to utilize these properties for open space and for developing and reselling to low/moderate income homebuyers. The second agreement is with the County Sanitation District No. 14 of Los Angeles County, which intends to utilize these properties for water management project purposes.

FISCAL IMPACT/FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2005/2006 Budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "B" is a summary of the public agencies' purchases. This attachment indicates the affected Supervisorial Districts and the public use for which the properties are being acquired. Moreover, we have included copies of the relevant sections of the

Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreements as to form. Attached to the agreements are the Assessor's parcel maps showing the dimensions and general location of the affected parcels.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

Upon approval of the enclosed agreement forms, the Department of the Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller's Office has the final approval of this and all Chapter 8 Agreements.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Anthony J. Saladino (for)".

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:

That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:

This office has recently completed a review of the policies currently in use with regard to the acquisi-

Board of Supervisors - Page 2 - November 17, 1970

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the \$1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

Lancaster Water Reclamation Plant 2020 Facilities Plan Chapter 8 Agreement Sale Properties

Pursuant to your conversation with Jerry Wilson of County Sanitation District No. 14 of Los Angeles County (District) staff, the District hereby request that the seven parcels listed on the table below be removed from the August 8 and 9, 2005, public tax sale and be sold to the District for a public use. The District would like to purchase these seven properties (which are listed in the most recent edition of "Tax Defaulted Property Sale 2005 B"), under the provisions of Division I, Part 6, Chapter 8 of the Revenue and Taxation Code (Chapter 8 Agreement).

LWRP 2020 – PROPERTIES TO BE SOLD FOR TAX DEFAULT		
APN No.	Acreage	Minimum Bid

3307-001-008	1.00	\$2,558.00
3307-016-012 BK	40.00	\$34,261.000
3307-016-013 BK	40.00	\$32,853.00
3307-019-007	10.09	\$33,646.00
3302-013-004 BK	2.50	\$3,360.00

The District provides wastewater conveyance, treatment, and management services to the City of Lancaster as well as portions of the City of Palmdale and adjacent unincorporated areas of Los Angeles County. In order to implement an effluent/reclaimed water management project that was approved by the District's Board of Directors, the District has been in the process of acquiring approximately 5,000 acres of land in the vicinity of the District's Lancaster Water Reclamation Plant. To date, the District has acquired approximately 2,100 acres of the needed land through voluntary sales.

Please inform us as to the remaining steps and timing to acquire the seven parcels. As mentioned to you by Mr. Wilson, the District has initiated eminent domain actions for some of the needed land and has been granted prejudgment possession for many of these parcels, which will take effect no later than

Los Angeles County Treasurer and Tax Collector

June 30, 2005

July 18, 2005. The courts granted this prejudgment possession date, so that the District could meet an effluent management project deadline imposed on the District by Lahontan Regional Water Quality Control Board. Thus, the District would appreciate any assistance you could provide in enabling us to expeditiously acquire these parcels through the Chapter 8 Agreement Sale program.

Enclosed is a map showing the project area, the properties acquired to date in green, and the seven parcels of interest, which are on the tax sale list, in yellow. If you have any additional questions regarding this matter, please contact me at (562) 699-7411, extension 2705 or Jerry Wilson at extension 2741. Thank you for your cooperation in this matter.

Very truly yours,

SANITATION DISTRICTS OF LOS ANGELES COUNTY

FACT SHEET

The Sanitation Districts provide environmentally sound, cost effective wastewater and solid waste management for over half the population of Los Angeles County, and in doing so take what others had thought of as waste and turn it into resources such as reclaimed water, energy, and recycled materials.

The Sanitation Districts are a confederation of independent special districts serving about 5.1 million people in Los Angeles County. The Sanitation Districts' service area covers approximately 800 square miles and encompasses 78 cities and unincorporated territory within the County. The Sanitation Districts construct, operate, and maintain facilities to collect, treat, recycle, and dispose of sewage and industrial wastes. The Sanitation Districts also provide for the management of solid wastes including disposal, transfer operations, and materials recovery. Local sewers and laterals that connect to the Sanitation Districts' trunk sewer lines are the responsibility of the local jurisdictions as is the collection of solid wastes.

The agency consists of 25 separate Sanitation Districts working cooperatively under a Joint Administration Agreement with one administrative staff headquartered near the City of Whittier. Each Sanitation District has a separate Board of Directors consisting of the mayor of each city within that District and the Chair of the Board of Supervisors for county unincorporated territory. Each Sanitation District pays its proportionate share of joint administrative costs.

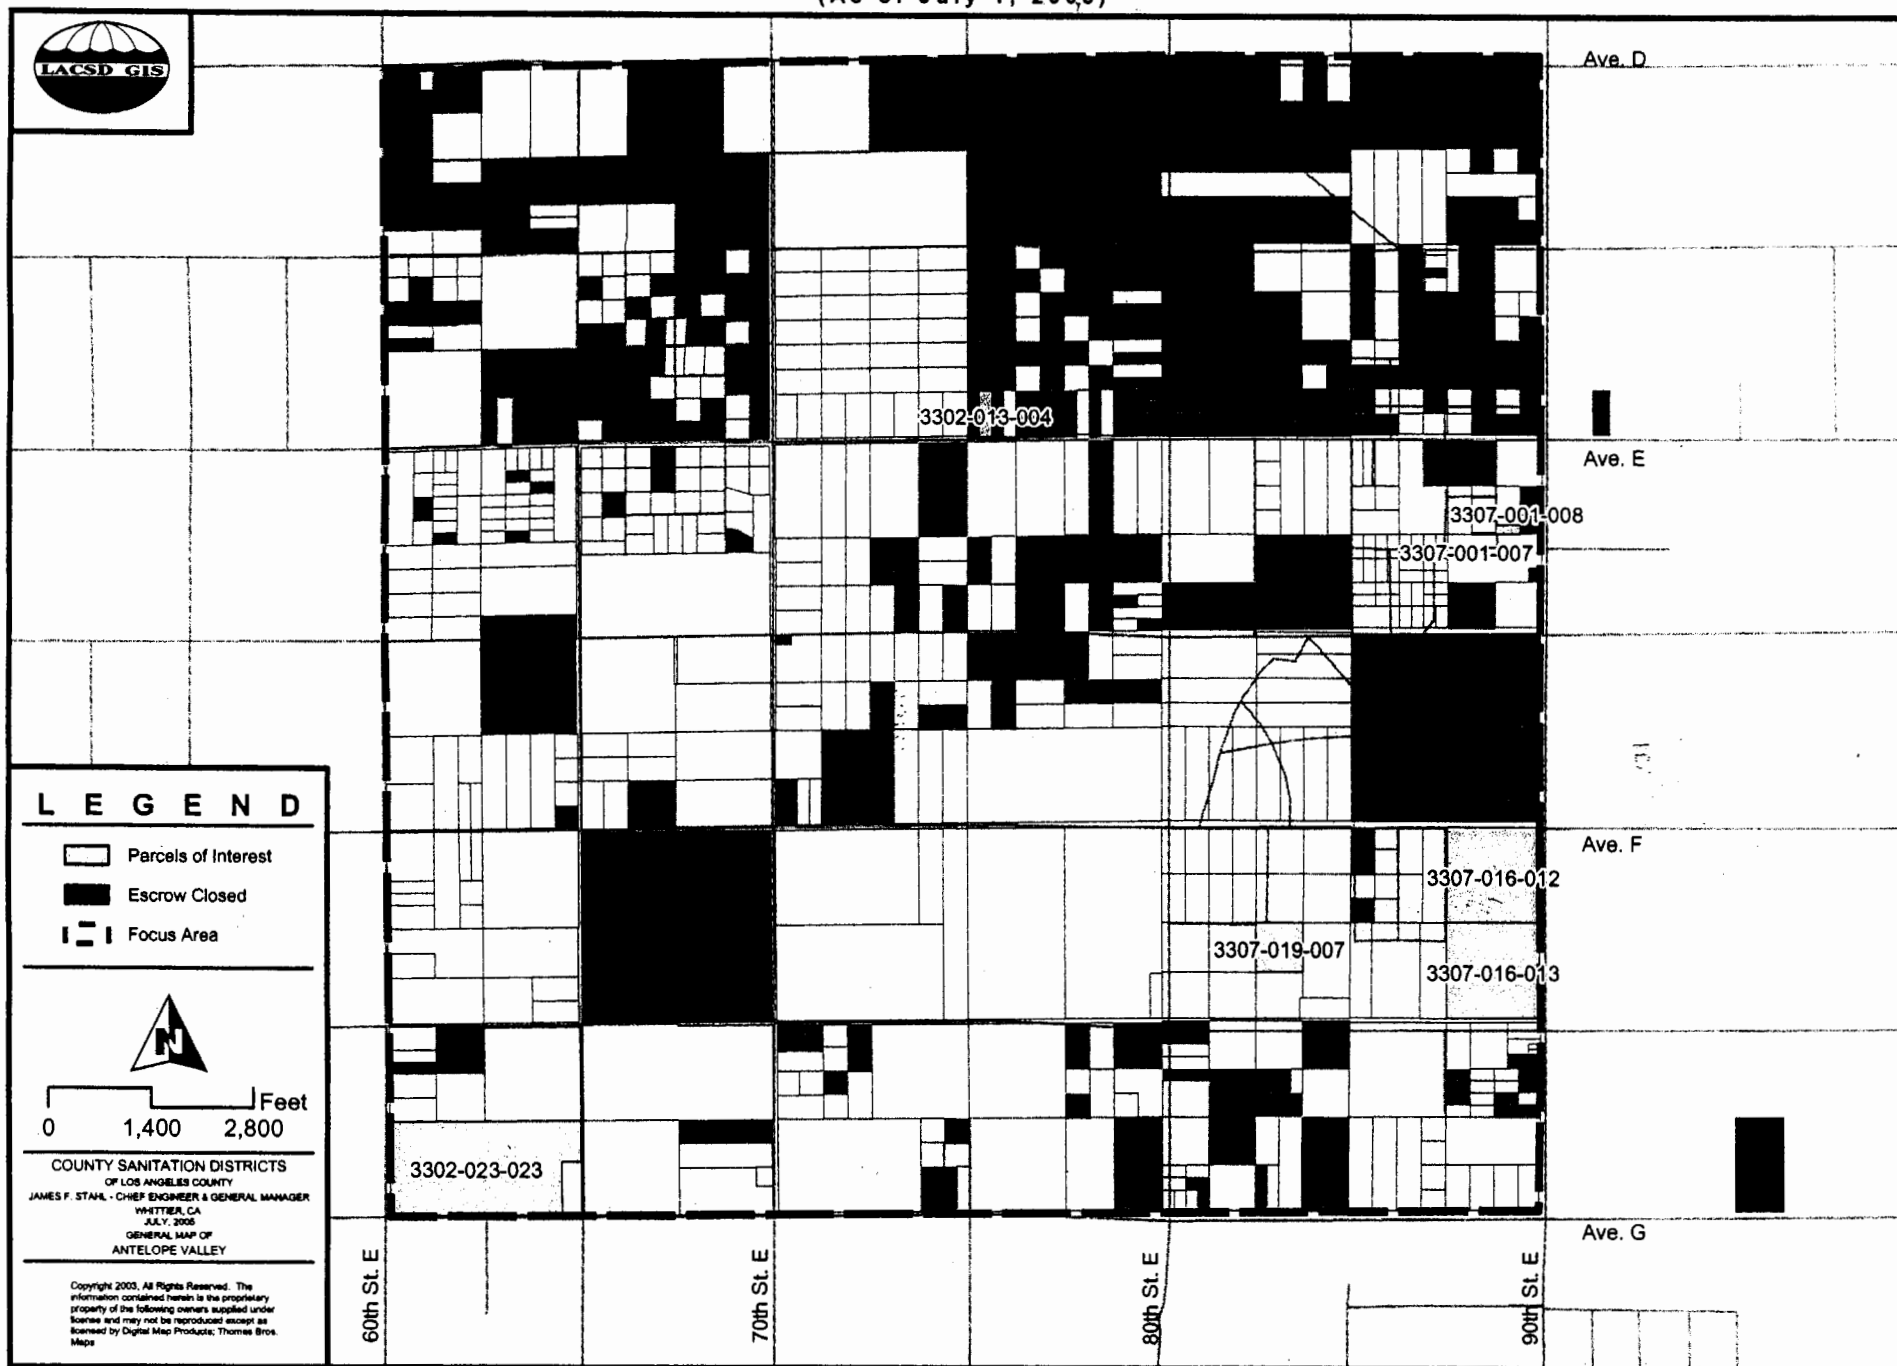

The Sanitation Districts' 1,400 miles of main trunk sewers and 11 wastewater treatment plants convey and treat approximately 510 million gallons per day (mgd), 190 mgd of which are available for reuse in the dry Southern California climate. Three active sanitary landfills handle approximately 19,500 tons per day (tpd), of which 16,000 tpd are disposed (approximately forty percent of the County-wide disposal capacity) and 3,500 tpd are recycled. The agency also operates three landfill gas-to-energy facilities, two recycle centers, and three transfer/materials recovery facilities, and participates in the operation of two refuse-to-energy facilities.

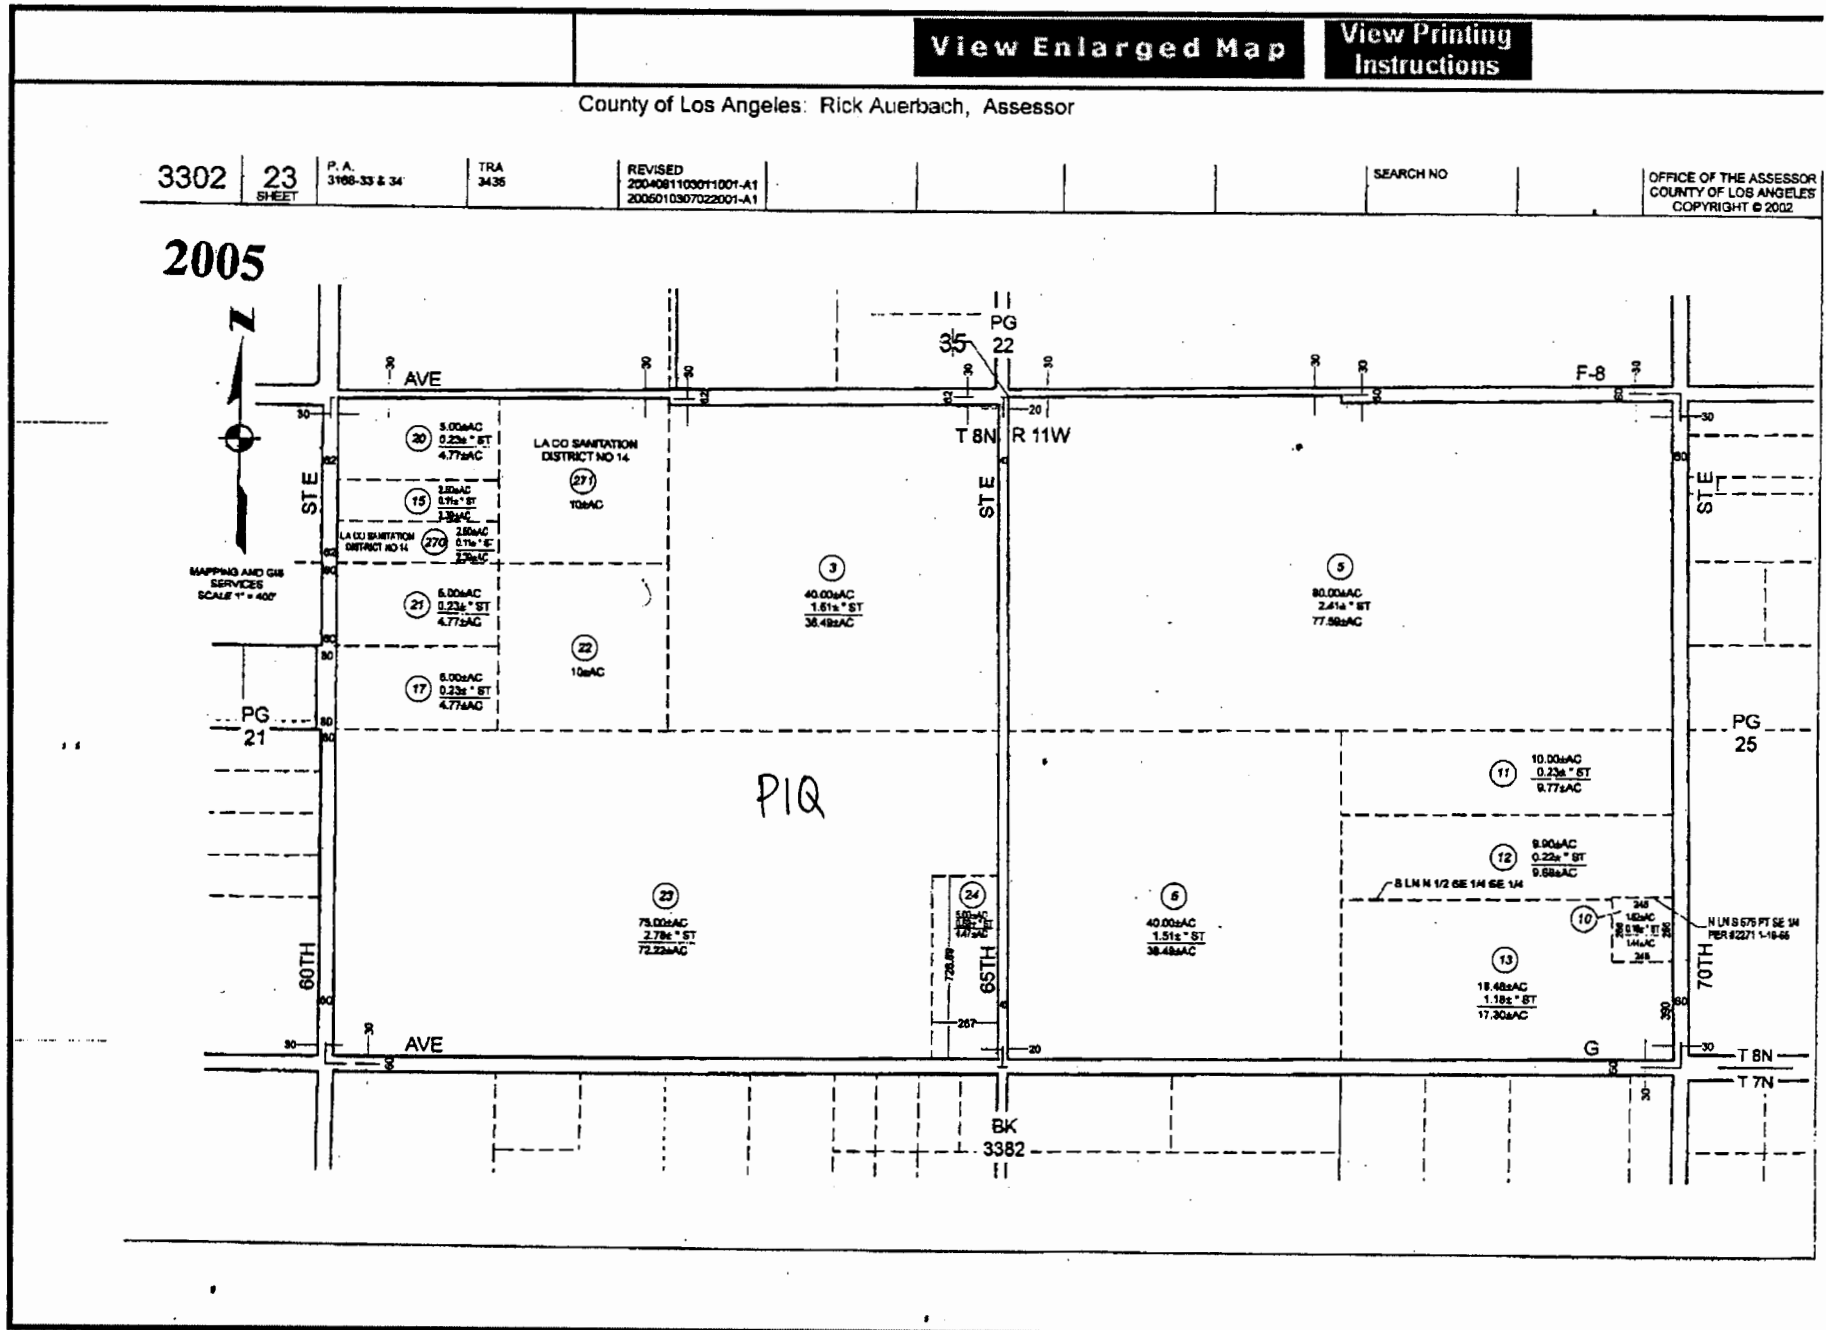

The Sanitation Districts' overall wastewater and solid waste management budgets for 2004-2005 are \$594 million and \$222 million, respectively. Both systems provide service to the customers at some of the lowest rates in the entire country.
